GOVERNMENT OF GEORGIA

Administration of the Government of Georgia (previously State Chancellery)

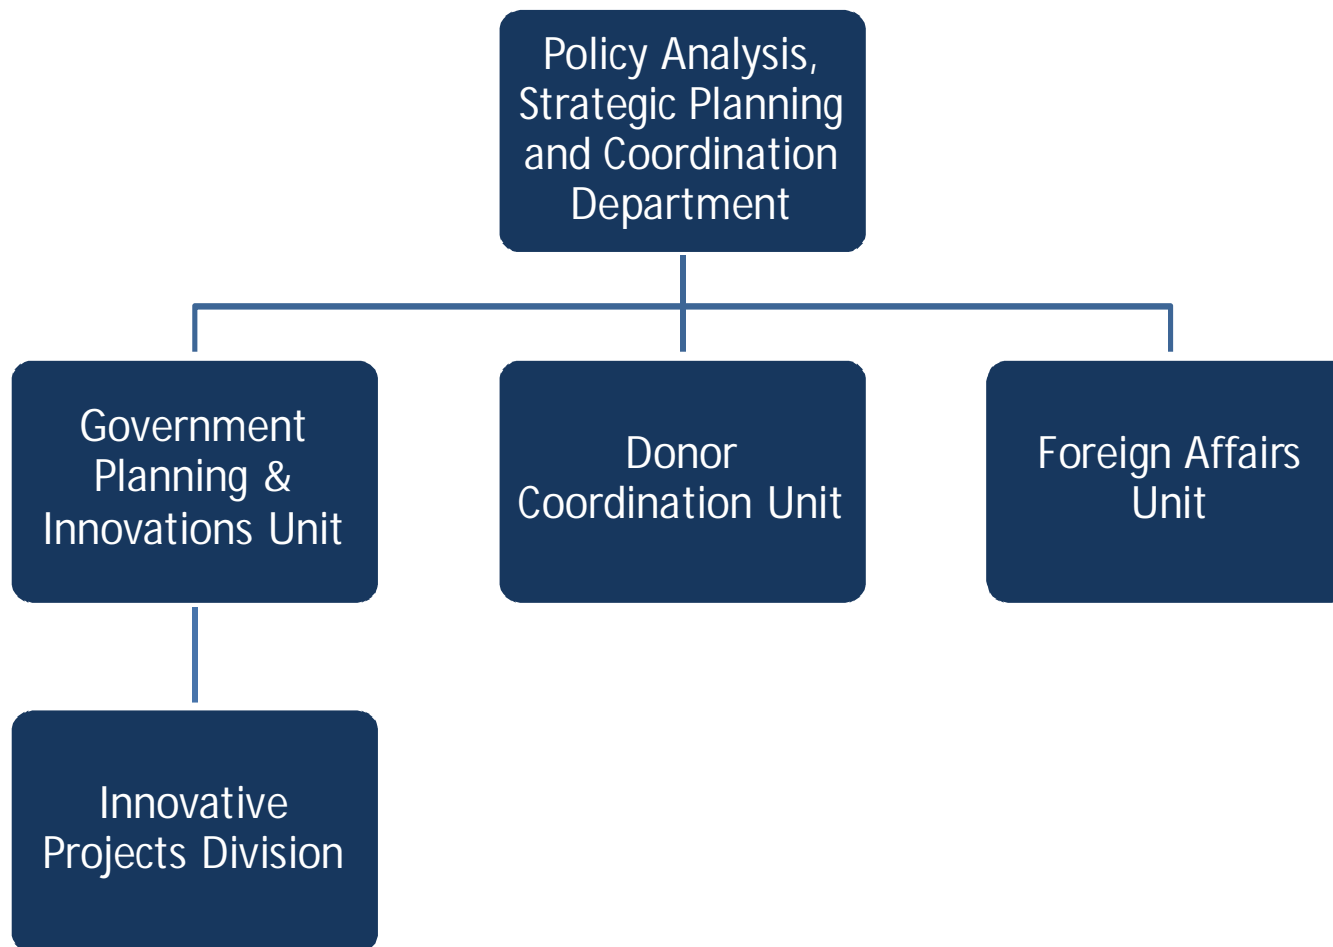

Based on the 2012 Constitutional amendments the role and responsibility of the Prime Minister and the Government have increased. This has caused broadening of the functions of the Government Administration, which now includes the responsibility to coordinate the policy planning and development process on the central level.

The reforms undertaken by the Administration of Georgia are supported by the EU, OECD/SIGMA and are in line with the obligations stipulated under the EU-Georgia Association Agreement.
